NEW APPOINTMENT

Dr. Arthur LAU

**Adjunct Professor
(in practice)**

To strengthen APAEM's connections with the tourism and hospitality industries, APAEM is pleased to appoint Dr. Arthur Lau as an Adjunct Professor (in practice).

Dr. Lau has extensive experience in hospitality management. He started his mainland journey from Beijing and across the whole country. In his 20+ years hotel management experience, he has managed hotels of different types and scales, including mega hotel, resort hotel, city hotel and convention hotel. Prior to taking the helm as Zhongshan market Area General Manager of Marriott since October 2020, Dr. Lau was the General Manager of The Westin Hotel, Pazhou, which connects with the second biggest convention center in Southern China. Dr. Lau is also the Director of Hotel Professional Committee of Zhongshan Tourism Association and a member of the International Event Planning and Management Association (Asian Branch). Dr. Lau will contribute to APAEM in hospitality management and technology applications.

Academically, Dr. Lau holds the doctorate and master degrees in Hotel and Tourism Management from The Hong Kong Polytechnic University. Hence, he is also an adjunct researcher with primary research interest in hospitality technology and convention services.

APAEM SEMINAR SERIES

In the first half of 2022, APAEM is excited to launch its signature seminar brand – **APAEM Seminar Series**, which aims to provide a quality knowledge exchange platform for academics, practitioners, government officials, and students to share insights and discuss issues on various topics encompassing the three main foci of APAEM, namely Asian Economics, Financial Innovation, and Smart Tourism.

Eight seminars were held in this semester. The topics of these seminars are diverse and fascinating, attracting hundreds of participants, including faculty members, industry practitioners, government officials, and students from all over the world.

More timely and impactful topics will be covered by the APAEM Seminar Series in the future.

Please stay tuned!
