ISSUE 01 | 2023

The Fudan University and the University of Macau (UM) signed agreements on 3 April 2023. The two parties unveiled a plaque to officially establish the Asia-Pacific Academy of Economics and Management (APAEM) as a partner of Fudan University's Institute of World Economy, a Key Research Institute of Humanities and Social Sciences under China's Ministry of Education.

Collaborations

Picture: The delegation from Zhejiang University visited APAEM.

Apart from seminars, APAEM welcomed a delegation from Zhejiang University (ZJU) on 21 April 2023, led by Zifa Zhang, Party Secretary and Associate Dean of ZJU's School of Economics, to promote academic exchange and deepen collaborations.

APAEM team members have been actively building up industry-academic connections. For example, on 14 March 2023, APAEM representatives visited Shiji (Macau) Limited for knowledge exchange about the impact of information technology on the development of Macao's tourism and hospitality industries.

Pictures: Seminar highlights of APAEM Seminar Series on International Finance.

The newly launched APAEM Seminar Series on International Finance covers frontier research on international finance, macro finance and financial market. Starting from 2023, six seminars have been successfully held. Most of the invited speakers serve the editorial boards of leading economics and finance journals.

With the relaxation of local COVID measures since the beginning of the 2nd semester, APAEM offers both online and face-to-face seminars for students and faculty members, providing an open platform for knowledge exchange.

APAEM will organize *"Contribution and Development in Asian Economics, Financial Innovation and Smart Tourism: APAEM Demonstration Day cum Financial Innovation Symposium"* on 19 May 2023, details as below:

Date: 19 May 2023 (Friday)

Time: 15:30 – 17:20

Venue: UM, N1 – G Floor Multifunctional Hall, 1004 & 1005

Format: Face-to-face

This event will gather key stakeholders of the Macao community, including researchers, educators, government officials, practitioners, students and other interested parties, and serve as an exchange platform to promote industry-academia knowledge sharing and interdisciplinary collaboration. You will learn key research findings and implications of the funded projects of APAEM in the last two years, and have a chance to discuss potential collaborations with the field's experienced scholars.

All interested parties are welcome to join.

For enquiries, please contact the APAEM Office at +853 8822 9927 / 8822 8137 or apaem_info@um.edu.mo.
