Pictures: Event posters of APAEM Seminar Series and seminar on reproductive tourism.

Since 2024, APAEM has successfully organized several seminars as part of the APAEM Seminar Series. The seminars covered a broad range of topics, including cutting-edge research on international finance, as well as subjects related to art, medical tourism, and more. The discussions explored various areas of interest, such as wealth transfers, risky currencies, open banking, and reproductive tourism. These events were conducted online or onsite, providing a comprehensive platform for knowledge exchange.
